Staff Council

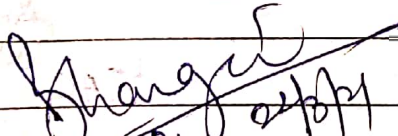

The members of JQAC committee have met to discuss the AQAR- 2019-20 to be upload on NAAC Portal.

The members have checked the consistency of data provided by various teachers (in-charge professor / each criteria). The members have discussed in detail each criteria and Part A as well. Few members have given suggestions on Criteria - II of AQAR. It is decided to rectify the data of few metrics of criteria - II. In criteria - IV budget related figures were discussed and necessary corrections made. It is also decided by the council

to add the programmes made by the staff to interact with A Children of Akansha Divyang School as one of the best practice. Faculty of our college are interacting with these Divyang children for last two sessions. Hygiene kit distribution, Food packets and dress distribution are regular activities we perform to make these children familiar with society. So, the council has decided to opt this as another best practice.

With these minor corrections the council finalized the draft of AQAR-2019-20 to be submitted to NAAC.

The meeting ended with a vote of thanks presented by the Co-ordinator.
