

WEBINAR On

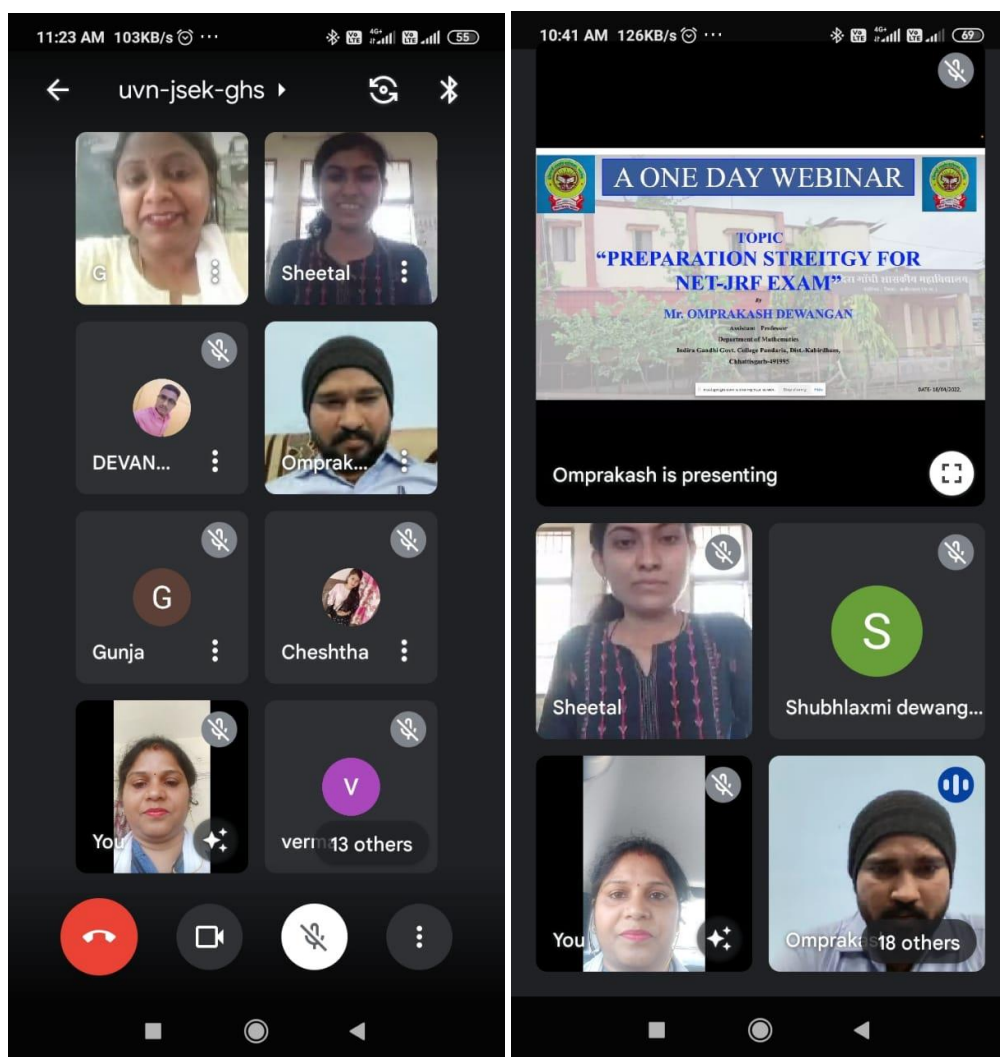

Preparation Strategy for CSIR-NET(National Eligibility Test)/JRF(Junior Research Fellowship)

Jointly Organized by- Department of Physics, Mathematics and Botany

18.04.2022 – 20.04. 2022

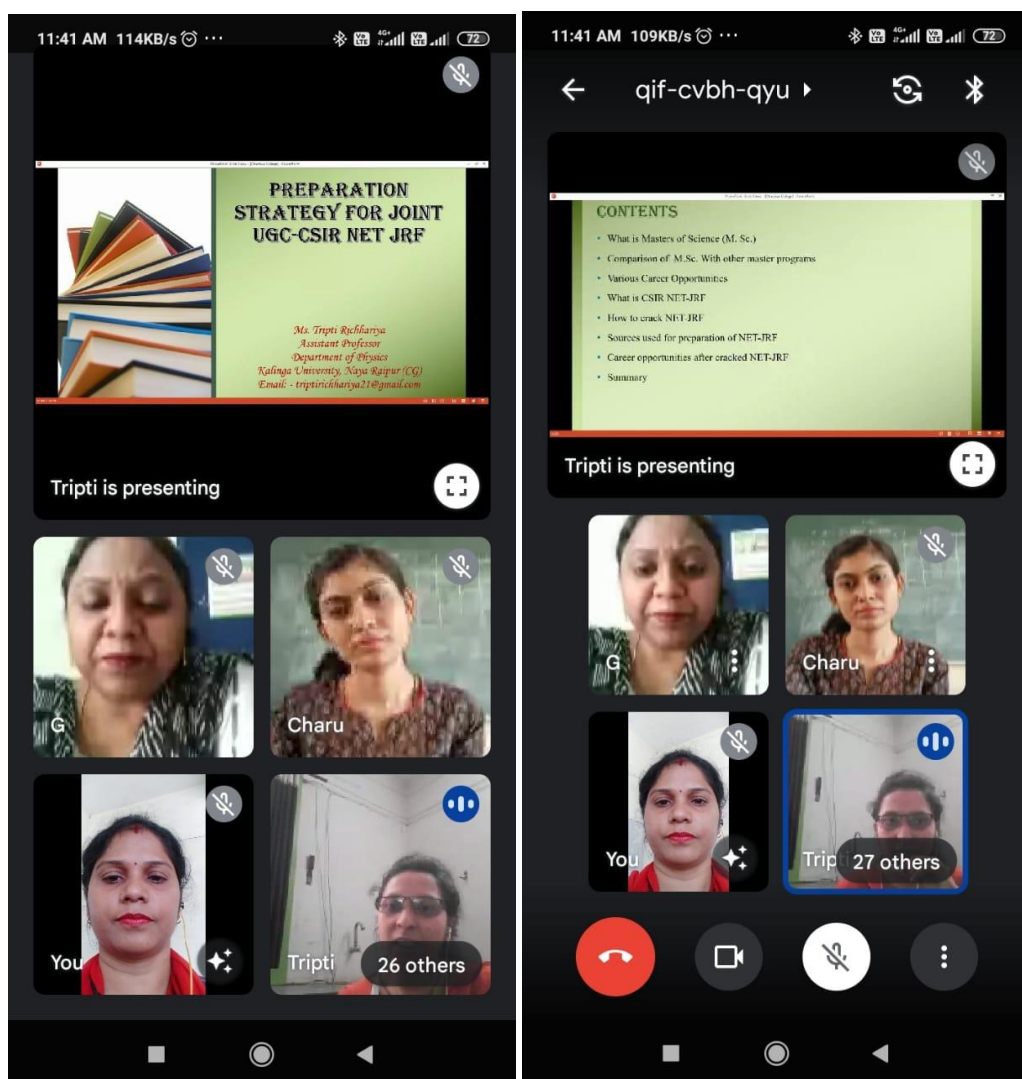

Day-1 (18.04. 2022)

The inauguration of Webinar was commenced at 10:30am. The program was jointly organized by Departments of Physics, Mathematics and Botany for Post -graduation students. The topic of the webinar was “Preparation Strategy for CSIR-NET(National Eligibility Test)/JRF(Junior Research Fellowship)”. Dr. Nidhi Dewangan (convenor), Assistant professor of Mathematics, introduced the session with the theme of the event and then she gave a brief introduction of the guest speaker. On the first day the guest speaker was Shri Omprakash Dewangan, Assistant professor of Mathematics, Indira Gandhi Govt. College Pandaria, Dist. Kabirdham. He delivered a very interesting talk on preparation for CSIR-NET/JRF in Mathematical Sciences. He made the students aware of the various important institutions of Mathematical Sciences located in India. He also explained the students about various job opportunities available after qualifying this exam. In this program the students from our college and Govt. College Arjunda were participated and benefitted. After his talk Dr. G Nag Bhargavi (co-convenor), Assistant professor of Physics gave vote of thanks to the guest speaker, staff and students. The program was conducted by Ku. Charu verma.

Day-2 (19.04.2022)

On the second day of the webinar another interesting talk on “Preparation Strategy for CSIR-NET/JRF in Physical Sciences” was delivered by Ms. Tripti Richhariya, Assistant professor of Physics, Kalinga University, Naya Raipur. Dr. G Nag Bhargavi (co-convenor), Assistant professor of Physics has welcomed the guest speaker and introduced her to the session. She elaborately explained the important ways and gave ideas to crack the exam. In his talk she also made students aware of the various steps and planning to be made to qualify this exam. In the end Dr. Nidhi Dewangan, Head, Department of Mathematics gave vote of thanks to the speaker. In this program the post graduate students of our college and from Govt. TCL PG college Janjgir and Govt. MMR PG college Champa also participated and benefitted.

Day-3 (20.04.2022)

On the third day of the webinar another interesting talk on “Preparation Strategy for CSIR-NET/JRF in life Sciences” was delivered by Shri Mukesh kumar Kurre, Assistant Professor of Botany, Govt. Rajiv Lochan PG College Rajim, Gariyaband was the guest speaker. Dr. Nidhi Dewangan, Head, Department of Mathematics welcomed the guest speaker and introduced him to the session. The speaker elaborately explained the various branches of life sciences where career opportunities can be found out. Very interestingly he solved the queries of the students. He also made students aware of various institutes in India for higher education in life sciences. On the third day the students of Govt. Rajiv Lochan PG college Rajim, Gariyaband also joined the webinar. In the valedictory session Dr. G Nag Bhargavi, Assistant professor of physics presented the concluding remarks of the webinar. Total 108 students of different colleges were registered and participated in this webinar. Principal Dr. Shabnoor Siddiqui congratulated the faculty of science for co-ordinating and conducting such an interesting program for the PG students and wished them all success in near future. In the end Shri Kaushal Kishore, Head, Department of Botany gave vote of thanks to the speaker. The guest faculties and other staff members Ku. Charu Verma, Ku. Sheetal Verma, Ku. Monika Sahu, Ku. Kiran Pandey and students were participated.
