Annual Report 2018-19

Extension of Program :-

After the accreditation from NAAC with Grade 'B' the institution is working for better grade in next cycle. A proposal has been submitted to the Commissioner, department of Higher Education to start new courses at UG and PG level so that students do not have to drain other institute for further studies, we have submitted the proposal for PGDCA and team of expert from department of Higher Education has inspected for necessary infrastructure and other amenities.

We have also planned for industry-Academic linkage program for this we have sent proposal to the local industrial establishment for 'An industry readiness training program' to be organized for our students.

Research and Innovation:-

A total of Nine research papers (07 International and 02 national) published by physics(02), botany(01), sociology(01), commerce(02), history(02) and English(01) departments. In this academic year 02 (international and 05 national) paper presented by faculties in various seminar and symposium. One faculty members is participated seven day training –cum- workshop on E-learning in Higher education. One national level seminar is organized by science faculty with the financial contribution of two industries of Raipur district.

Efforts for social awareness:-

To develop awareness among students towards society, various program were organized by the institution such as celebration of Teachers Day, Independence Day, Republic Day, Gandhi Jayanti, International yoga day ,cleanliness day ,constitution day etc. Institutions also tried to motivate students in broad spectrum and to enhance their quality of leadership and to aware them about their responsibilities towards environment as well as towards their community. There is an active NSS team is working in the institution under this head various program such as seven day camp in village area organized this year as well as few students are taking participation in Swach Bharat internship camp organized by Central government. Also they perform various awareness activities during their field visit (7 day camp) and NSS students are also contribute their work to enhance greenery at the institution

so that they planted several saplings. As a college extension activity college faculty members meet and spent their time with Divyangjans, children of Akanksha School of Divyangjan in Prestigious occasion of Childrens' Day. under RUSSA head hygiene kit is also distributed to them in our institution.

The college has taken some Green initiatives like polythene free campus and a proposal has been sent To CREDA (Chhattisgarh renewable energy development agency) for assembling solar panel for lightening. In the month of December health check-up camp is also organized by the institution. Students of NSS and NCC are also taking part as volunteer in blood donation camp at nearest CHC.

Steps to improve teaching teaching and learning:-

An orientation program for all the newly admitted students of UG and PG is conducted. Regular parent-teacher meetings are also organized by all faculties and feedback is also taken by the students and from their parents too. For analyzing Teaching and learning performances teachers are also motivated to conduct their classes with more interesting tools of teaching and for these most of the teachers are using ICT for the betterment of teaching and learning. The academic calendar issued by the issued by the department of Higher Education is followed by the institution so that we conduct unit tests, half yearly exam etc. to analyze and enhance students learning skill. Remedial classes are also conducted for slow learners and an academic audit was also conducted this year to analyze faculties performance. Students mentoring committee is also working to interact with student like their parents and try to solve their problems. To enhance student practical knowledge field trip To Nandan Steel, Siltara district Raipur is organized by science faculty in this institution.

Sports and cultural activities:-

Every year annual Sports cultural activities are organized at institution level and students participated in various events under the programs such as essay writing, poem, folk dance, group, solo dance competition and students also took part in various sports events like Kabaddi cross country athlete, badminton organized it Institute level as well as they took participation in several universities, district and state level sports activity.
