

Annual action taken report 2020-21

Extension of Programs-

A Proposal has been submitted to the commissioner, Department of Higher Education for commencement of new courses. The courses are M. Sc in Botany and Physics and M.Com.

Research and innovation-

Minor Research proposals submitted by Department of physics from science faculty and Department of Sociology from faculty of Arts. The proposals were submitted to Chhattisgarh council of Science of technology (CGCOST, Raipur) and Indian Council of Research in Social Sciences (ICSSR). A proposal for financial assistance for National level SEMINAR on ADVANCE MATERIALS FOR SUSTAINABLE INDUSTRIAL AND SOCIAL APPLICATIONS (NSAMSISA-2021) and National Mathematics Day 2021 has been submitted to CGCOST, Raipur. A total of three research papers are published (from department of Physics). One of the faculty members has given invited talk on National Science Day 28.02. 2021 to the students of TCL PG College Janjgir, Chhattisgarh.

Efforts for social awareness -

Various programs were organized to develop awareness, patriotism, leadership qualities, environment consciousness etc. among students and to motivate them in diverse fields. Teachers day, Independence Day, Republic Day, Human Rights Day, National youth day, Voters Day, Constitution Day, International Women's Day, International Yoga Day, Cleanliness Day, Ekta Diwas, Shaheed Veer Narayan Diwas etc. Due to COVID-19 Pandemic all the activities in this session are conducted online through Google Meet app. Women Development cell has organized expert lecture on the occasion of International Women's day. Awareness programs were on COVID-19 were also organized.

Steps to improve teaching and learning

Orientation program for all the first year students (BA/B.Sc./B.Com/MA/MSc) in the month of November. Regular meetings of parents and teachers to address the issues of students as well as parents, also we take regular feedback by the parents on the academic and infrastructural development of college. Teachers are motivated for ICT enabled teaching also the number of teachers using ICT increased. In this session all the classes were conducted online through Google Meet app. All the teachers have uploaded their videos (some of the topics from the course curriculum) on YouTube. Notes and PDF have been provided to the students. Student - computer ratio is also increased after the purchasing of new computer systems. Class test, unit test, half yearly exams and pre university exams were conducted online through Google forms and the results were recorded by the respective departments. Also, the students were made aware of their weaknesses and strengths in the Mentor Mentee counselling class. Academic audit of all departments was conducted in presence of external member.
