

Feedback Analysis Session 2022-23

Govt. Pt. Shyamacharan Shukla College Dharsiwa, Raipur (CG)

Feedback Analysis

Collecting feedback from the stakeholders is a regular practice that the Internal Quality Assurance Cell does in each academic year. The feedback has been collected from students, teaching and non-teaching staff. In the session 2022-23 also the same methodology has been adopted to collect the feedback and analyze the same. Every year by collecting the feedback from the stake-holders we are trying to minimize the weaknesses of the institute and at the same time we are improvising the standard of the institute.

We have included questionnaire based on the online teaching learning methods, laboratory, library, sports and other facilities, contents of curriculum, examination and evaluation process etc. The Google forms link was shared to the students through their emails and WhatsApp group and the responses were recorded. We have recorded the responses of more than 200 students in the feedback from all the faculties. Maximum number of students appreciated the efforts done by the teachers and administration to conduct this session amid the pandemic situation. The percentage of syllabus covered by the teachers is 70-85% as said by 45% of students. Few students said teachers need to prepare before the lectures. Most of the students appreciated the support given by the teachers for their upliftment. Regular tests, competitions, projects, assignments, activities were conducted throughout the session. Teachers give career guidance and counselling to the students often.

Few suggestions from the students-

- More classes on English shall be conducted as the syllabus is not completed within time.
- Lack of classrooms for theory classes.
- Need of one more teacher for chemistry as the strength of students is large.
- Teachers should strictly focus on the syllabus.
- Cleaning of class rooms should be done regularly.
-

Feedback from teaching staff

Suggestions received from teachers: -

- Strength of Wi-fi need to be upgraded.
ICT facilities to be improved in the college.
Few more classes need to be equipped with LCD projector.
- Improvement of laboratory infrastructure.
- Need of more reference books in library.
- College has to be developed as research center in few subjects.
- Dimension of laboratories, class room need to be extended.

Feedback from Alumni

Suggestions received from Alumni: -

- need of more teachers for each faculty/ shortage of teachers need to be fulfilled.
 - Learning through experiments need to be promoted

Good college

My collage is best but teachers are can't understand the students all they are doing there work and naver can reapet those they we are cannot understud personally My chemistry teacher

I m falii because online readind for 3 years

समय पर सभी विषयों को पूरा करना चाहिए साथ ही जिस विषय के दोनों भागों(भाग 1 व भाग 2) के शिक्षक होने के बावजूद भी विषय पूरा नहीं हो पाता है अंग्रेजी विषय में सिर्फ 5% ही पढ़ाई होती है कुछ शिक्षकों का आवाज़ सुनाई नहीं देता तथा छात्रों को समझने में परेशानी होती है।विषय के पाठ क्रमानुसार हो जिससे समझने में आसानी हो।

Cleaning of class room should be regular.

Must be a window proper of our class.

The education of our college is good, the teachers are good who molded us completely in the path of knowledge.

Available internet facility is not sufficient need to improve the internet speed and accessibility. Research culture should be promoted among students and staff

महाविद्यालय के विद्यार्थियों

Need support to promote research work and financial support to organize seminars/workshops related to research work so that the students can also get guidance in the direction of research... and efforts should be made to create research centers in the departments of college at which faculty are registered as supervisor.

महाविद्यालय में सभी संसाधन उपलब्ध है ,जो एक छात्र के समुचित विकास के लिए आवश्यक है। संसाधनों का उचित उपयोग भी किया जा रहा है। जो संसाधन उपलब्ध नहीं है उसकी मांग भी समय समय पर रखा जाता रहा है। महाविद्यालय के प्राध्यापक गण भी बहुत सपोर्टिव है।

स्नातकोत्तर के लिए पर्याप्त पुस्तके होनी चाहिए। प्रयोगशाला में पर्याप्त मात्रा में सामग्री और प्रायोगिक उपकरण होनी चाहिए। विद्यार्थियों के अनुपात में अध्ययन हेतु कक्ष होनी चाहिए।

To Improve student teacher ratio. to improve lab and research facilities.

Stablish Research centre in college

- 1.College k hostel ko open krna chahiye
2. Syllabus k alawa competition exam ki tayari k liye v class hona chahiye

More ICT enabled classrooms should be develop and Room No 5 should be equipped with Mike facility.

- 1.Canteen - temporary canteen is running but their is need of permanent canteen space. Need to arrange for funds for proper canteen.
2. Play ground - should be updated with the outdoor sports ground with tracts, court etc.. by proposing the need to govt.
3. Girls Hostel - We have hostel building but their is need of govt. set up to start the facility.
4. Not fully satisfied with the present position of college. Their is lots of scope of infrastructural development as auditorium, bigger library, more building for classroom and conference hall and academic upliftment as research center, carrier oriented courses. etc

None.
