

Best Practice 01. Health and Hygiene

Objectives :-Currently we faced a pandemic covid-19 situation which reflect our health status very poor. This fact demand to be conscious about our health. The objective of this practice is to make student aware about their health so that their future become healthier. Student can also make their surrounding healthier and fit. By Healthy practice like healthy food, healthy life style, precautions from contagious disease, adopting yoga we can make healthy future .

The Context : To achieve better health status and to maintain hygiene we celebrate various days, organize various program like International Yoga Day on 22 June, swchhata Rally on 2 October, program on women health related to their menstrual practice, sanitary napkin kit distribution ,installation of sanitary vending machine, awareness program on Aids Day, organize health checkup camp, Blood donation camp, blood group checkup camp etc. were organized. To perform all the action different bodies are actively working like NSS, Red cross, Red ribbon Club ,Science club,NCC, Health and hygiene Club etc.

The Practice :-In our college during last session 2022-23 regarding health and hygiene we start the session with program on international Yoga Day on 21st June 2022 in which meditation and yoga training session has been organized In our college from previous three year sanitary vending machine facility with destroyer is available in girls common room. National Service Scheme Unit also serve a major role in the health and hygiene segment NSS camp are involved in helping for vaccination against covid-19, they visit the vaccination centre and aware the people about hygiene and help the vaccination team. By NSS and red ribbon aids awareness program has been organized in which various competitions are arranged and winner are encouraged by prize. By combine afford of NSS, Red ribbon Club and health hygiene club Covid vaccination camp are hosted in the college on 5/07/2022. A program On 19/01/2022 performed for first Aid training by red cross team. A seminar on mental health status after covid 19 also conducted by youth red cross on 29/01/22.

Evidences of Success:-The Students have satisfaction beyond any scale that they are able to understand importance of Health and Hygiene for a blissful life. The WHO has defined health as a state of complete physical, social and mental well being not merely the absence of disease or infirmity Students maintained their mental and emotional health during the lockdown period. They willingly opt to stay home and join online classes without any sign of depression during the quarantine period. students paid attention on self study and enthusiastically adopted the blended mode of evaluation during the pandemic. they are optimistic about their academic future.(document and photograph attached)

Problems encountered and resources required:- It is tough to reach each student because no. of students are very high and we cannot arrange the program for whole student at a time so we try to organize lecture or seminars in both online and offline mode for we have a you tube channel also through which maximum student can join simultaneously. One of the problem is also that implementation of the hygiene method , so we are trying to arrange a practical session by the help of NSS for hygiene maintenance.

Best Practice 02. Green Campus Initiatives

Objective :- The objective of this practice is to aware the students about environmental sustainability and to develop green environment in our college and make the campus pollution free by planting trees, banning of use of plastics , promoting use of less carbon emitting vehicle, promoting the electricity saving etc.

The Context :- Our college is situated in a industrial area that's why here environmental pollution is a major issue. To contribute toward healthy environmental factor air, soil, water we choose this practice. In this practice from previous two year we plant trees

The practice :- From previous two year we planted trees in the first week of month of July and take the responsibility of taking care(fencing and watering). By collaborating with industries we develop a garden in which Nandan Steel plant and Hira group support are appreciable. They provide a gardener for college who is available for taking care of plants and trees full day. In our college use of polythene are strictly prohibited for this we show display messages. Use of bicycle and battery runned vehicles are promoted, staff members are prefer to use car pooling and public transport. By the help of NSS we aware the students for clean ollege campus. We celebrate World Energy Conservation Day. A value added course on renewable energy has been organized successfully. Paperless work culture is promoted for this we circulate the messages,notices through whatsapp groups. World environment Day has been organized.

Evidence of support :-At the start there was very less green environment in our college but now scenario of our college campus has been change, last year we did many work which are evident from the following photographs and douments

Problem encountered and resources required:-We faced the financial support problem we cannot bear the expenses of all the environmental maintenance. Soil of our area of college campus is not very fertile so we need to dump a balck soil layer for gardening which also an expensive step. For all these type of financial support we contacted many industries and requested to invest their CSR fund for the college. In the summer season for the month of May and June water level become down so for irrigation sufficient water supply is interrupted, to solve this problem we are planning to make more tanks and ponds in bare lands of college for water recharging.

यूथ रेड क्रॉस (Youth Red Cross)

सत्र 2021-22

महाविद्यालय में पंजीकृत यूथ रेड क्रॉस सत्र 2017-18 से कार्यरत है। सत्र 2021-22 के लिए प्राचार्य की अध्यक्षता में यूथ रेड क्रॉस समिति का गठन किया गया। जिसमें प्राचार्य अध्यक्ष एवं सहायक प्राध्यापक, क्रीडा अधिकारी, एन.एस.एस कार्यक्रम अधिकारी सदस्य है। साथ ही वाणिज्य, कला एवं विज्ञान संकाय से एक-एक छात्रा प्रतिनिधि शामिल है। रेड क्रॉस यूनिट द्वारा सत्र में स्वास्थ्य एवं सुरक्षा से संबंधित विभिन्न गतिविधियों का आयोजन किया गया।

- सत्र के प्रारंभ में महाविद्यालय के छात्र-छात्राओं को यूथ रेड क्रॉस के उद्देश्य कार्य एवं वार्षिक गतिविधियों के संबंध में जानकारी प्रदान की गई।
- दिनांक 19.01.2022 को रेड क्रॉस का यूनिट द्वारा "प्राथमिक चिकित्सा (First Aid) प्रशिक्षण" कार्यक्रम ऑनलाइन माध्यम से आयोजित किया गया। जिसमें श्री बाल मुकुन्द दुबे, प्रोग्राम ऑफिसर फर्स्ट एड ट्रेनर, इंडियन रेड क्रॉस सोसायटी, राज्य शाखा रायपुर द्वारा प्राथमिक चिकित्सा से संबंधित महत्वपूर्ण जानकारी प्रदान की जिसमें बताया गया कि किसी व्यक्ति को चोट लगने, दिल का दौरा पड़ने, मधुमक्खी या सांप के काटने अथवा इलेक्ट्रानिक करंट लगने जैसी समस्या पर किस तरह से प्राथमिक सहायता प्रदान कर पीड़ित व्यक्ति को राहत पहुंचायी जा सकती है। व्याख्यान में 100 से अधिक छात्र-छात्रायें गूगल मीट एवं यू ट्यूब लिंक के माध्यम से जुड़कर लाभान्वित हुए।
- दिनांक 29.01.2022 को रेड क्रॉस यूनिट एवं वाणिज्य विभाग द्वारा छात्र-छात्राओं के लिए कोविड-19 के दौरान मानसिक स्वास्थ्य विषय पर ऑनलाइन माध्यम से व्याख्यान आयोजित किया गया, जिसमें मुख्य वक्ता डॉ. उषा किरण अग्रवाल प्रोफेसर (मनोविज्ञान) शास. डी.बी. गर्ल्स पी.जी कॉलेज काली बाड़ी रायपुर (छ.ग.) द्वारा बताया कोविड से उत्पन्न परिस्थिति ने जिस तरह से सभी को तनाव ग्रस्त किया है उससे हम कैसे बाहर आ सकते हैं। व्याख्यान में 100 से अधिक छात्र-छात्रायें गूगल मीट एवं यू ट्यूब लिंक के माध्यम से जुड़कर लाभान्वित हुए।
- उपरोक्त कार्यक्रमो को कराए जाने के साथ की रेडक्रॉस यूनिट महाविद्यालय में साफ - सफाई, कोविड - 19 नियमों के पालन, पालीथिन फ्री वातावरण बनाए जाने हेतु निरंतर प्रयासरत है।
