BEST PRACTICES

2019-20

Title of the practice: Gold medal to meritorious students

1. Objectives of the Practice: The main motive behind this practice is to encourage students for better academic performance and co-curricular activities. Along with this objective is to develop healthy competitive environment among students. As the gold medal is sponsored by various faculty members of this institution and other respected citizens from the local community this will strengthen the bondage between the students and the teachers as well the stakeholders.

2. The Context: There is provision in our institution to encourage meritorious students by providing certificate in the annual prize distribution ceremony. But, this practice was initiated to highlight the qualities in the student and also make student more focussed in their academic activities.

3. The Practice: This practice was initiated by the staff and respected citizens in the memory of their beloved ones. Uniqueness of this practice exists in the fact that all the faculties are promoting their respective fields so as to motivate the students to orient in the particular field. In the first staff council meeting of academic session 2017-18 the idea of this practice was discussed. Then after, it was challenging for the administration to search for the donors sponsoring these awards. With the passage of time people from Janbhagidari samiti and the honourable MLA also appreciated the initiation and shown their interest in sponsoring the awards. For the selection of students in different categories a selection committee was framed including senior faculty members. A definite criterion was framed by the committee for the selection of students in various categories and the list of eligible students was displayed on the

notice board for any kind of objections. With all these efforts we have started the practice which is running successfully.

4. Evidence of Success: After the implementation of this practice we noticed in the result analysis that, the number of meritorious students was increased. Especially in the science faculty the number increased from three to ten. We hope in the coming years the number will increase more and we will get much better results. 5. Problems Encountered and Resources Required: The problem encountered was already discussed in earlier sections of this format. First the amount required for the practice was collected and the collected fund was deposited in bank, and the interest money is used to continue this practice.
